A New Name for an Ever Changing Journey

On March 1, 2018 Towers Watson's OneExchange will become Via Benefits

We are pleased to announce that Towers Watson's OneExchange, the service you use to gain health insurance coverage and/or manage reimbursements, will officially change its name to Via Benefits.

The word via (pronounced VEE-ah) literally means "traveling through a place to a destination."

**What Via Benefits means for you**  
The name change will not alter the friendly interactions, online features, or service you have come to expect from us—it is simply meant to better reflect all that we do for you. Our focus will continue to be on assisting you and your family on your path to a more secure retirement.

123 Main Street  
City, State 12345

After March 1, 2018, keep an eye out for Via Benefits communications like those that will appear in your mailbox and email.
