

Better Together

Together We Make A Difference Through Ministry Shares

Because you were faithful in your ministry giving ... we are able to have a Young People's Ministry Council that consists of youth, young adults, and adult youth workers.

The Young People's Ministry Council of the Susquehanna Conference advocates and resources ministry for the youth and young adults of our annual conference.

Its purpose is threefold:

- 1) resourcing the local church;
- 2) representing young people;
- 3) growing leaders for the world.

We sponsor a variety of events throughout the year including **#thestruggleisreal**, specific leadership development training, and one-on-one consultation with local churches. We also provide resources that local churches can use and are very active in involving young people in relevant conversations through the use of our social media channels.

For more information, visit our website at igniteyoungpeople.org, to learn more about what we can do for you and your local church.
