

Better Together

Together We Make A Difference Through Ministry Shares

Because you were faithful in your ministry giving ... we are able to have a Young People's Ministry Council that consists of youth, young adults, and adult youth workers.

Young People's Ministry is committed to developing student leaders and growing disciples in the local church.

The purpose of the Young People's Ministry Council is to equip student leaders to empower their peers to make disciples. The youth on the council are responsible for much of the planning and leading of YPMC ministry opportunities. This gives them the experience and confidence they need to hone their skills before leading in their local churches. In all that the YPMC does, student leaders are at the center of it; they are an essential part of Youth Ministry in the Susquehanna Conference.

The Young People's Ministry Council is looking for more student leaders and accepting applications through July 31, 2017. Please apply online at igniteyoungpeople.org. The YPMC is also in the planning stages for youth events for fall 2017 and winter 2018!

Please stay tuned!
