Together We Make A Difference Through Ministry Shares

Because you were faithful in your ministry giving ... the four camp retreat ministry centers of the Susquehanna Conference are better equipped to provide pathways of discipleship in partnership with our congregations. Camp & Retreat Ministry is a vibrant extension of our shared mission.

In 2017, **6,446 guests** and **participants** found inspiration and grew in their relationship with God through intentional time apart in community, including fellow members of UM congregations, ecumenical faith based groups, and “good samaritans” from a wide variety of nonprofit groups doing good in the world. Our Camp Retreat Ministry centers are part of the wide embrace of God as the Church, which moves persons to live more intentional lives of love with one another and the wider world. Come and visit these sacred places we all share in common.
