

## **Praying Our Way Forward**

A cord of three strands is not easily broken. Eccl 4:12b

The Council of Bishops has called the members of the United Methodist Church to prayer. Each annual conference will take one week to have intentional prayer for the mission of The United Methodist Church to make disciples of Jesus Christ for the transformation of the world and for the work of the Commission on a Way Forward.

The prayer strands you are holding are part of the Susquehanna Conference's designated week of prayer, May 7-13. Each of the seven districts will focus their prayer efforts on a given day. (see reverse side)

Please wear your strands around your neck while you are at conference, inviting others to pray a prayer and tie a knot on one of the tassels. Then, take your strands home, share the idea, and be reminded that with God, all things are possible!
