

CONFERENCE OFFERINGS

6th Session of the Susquehanna Annual Conference

June 11-13, 2015

As we approach the celebration of Annual Conference 2015, please consider supporting the following special offerings which will be received.

These offerings have always been important and well supported during the sessions.

Memorial Service, Thursday, June 11, 2015

The Memorial Service Offering will benefit Mission Central's operating budget. **Mission Central (7050)** annually connects nearly ten-million dollars' worth of donated material to nearly two million people. Mission Central's annual operating budget is around 500,000 dollars to operate a 48,000 sq. ft. facility and manage nearly ten million dollars of inventory with six staff members. Obviously, the support of volunteers (over 8,000 annually) and you and your church's financial support is vital to our success. We do not receive funding from Shares of Ministry. We depend solely upon your gifts. *(Please note: your support of the Capital Campaign, "An Unfolding Story," should be in addition to your continued support of Mission Central's mission; more details at Conference.)*

Celebration of Ministry, Friday, June 12, 2015:

Celebrating 75 years of bringing relief to persons here and around the world, **UMCOR – United Methodist Committee on Relief (2010)** has always been a part of our second mile giving and missional outreach. One hundred percent of your gifts to UMCOR go directly to those in need. Recently our own communities received emergency relief funding for flood recovery thanks to those individuals, churches, and conferences who support UMCOR's mission.

Ordination Service, Saturday, June 13, 2015

This offering will go to the recently created **Bishop's Partners in Mission (7090)**. Bishop Park hopes that this partnership will continue to be a source of mission funding into the future. This year's gifts will be split between The Mission Central Capital Campaign ("An Unfolding Story") and Imagine No Malaria. The offering will be added to those gifts partners have already given toward this emerging mission initiative.

Please make checks payable to Susquehanna Conference and include your church number and the advance number (listed after the name above) on the memo line of the check.
