Health Ministries Grant Policy

Mission Statement

Health Ministries Grants are a resource to help provide appropriate financial support for congregational ministries which promote the health and wellbeing of all God's people.

Purpose

The grants are for Susquehanna Conference United Methodist congregations, affiliated ministries and connectional ministries that offer programs related to the spiritual, physical, emotional or psychosocial health and wellbeing of individuals.

Grant Funding Guidelines

1. The funds that support these grants come from Shares of Ministry. All funds granted are contingent upon your congregation's 100% payment of Shares of Ministry.
2. Available money will be awarded first to new programs, keeping in mind Susquehanna Conference goals:
 - a. Develop new places for new people,
 - b. Strengthen, enhance, and continue development of vital congregations and transformational leaders
 - c. Discover our "connectionalism" for the 21st century
3. As funding permits, consideration will be given to support emerging ministries that demonstrate success over a period of three years, with declining amounts each year. Renewals are not guaranteed.
4. Preference will be given to projects that focus on making disciples of Jesus Christ for the transformation of the world.
5. Preference will be given to innovative connectional programs that are meeting a real community need in connection with other local ministries. Networking among churches is advantageous and encouraged.
6. Grant applications must be completed fully and must include all required supporting documentation.
7. Funds are limited. Applicants can request up to \$5,000 per program.

Maximum Reimbursement Guidelines

While we favor health ministries that demonstrate creativity, innovation and experimentation appropriate to the context, requests for health-related equipment in support of these ministries will follow these guidelines:

1. The initial training for parish nurses or community health minister - \$350.
2. 80% of purchase price up to \$800 toward the purchase of one AED per church, after submission of proof of purchase.

3. Up to \$50 per person for official CPR/AED training that leads to certification, after submission of proof of completion. (Groups are encouraged to seek certified trainers who offer training at no or reduced cost.)
4. Books, brochures and pamphlets required to begin a program - \$100. (Many materials are available at no cost from community and government agencies and on various websites.)
5. The purchase of appropriate age appropriate blood pressure apparatus to begin a health ministry program. We will support up to \$40 per one extra large sphygmomanometer, up to \$20 for one adult sized cuff; and up to \$35 for one stethoscope.
6. The purchase of first aid kits - \$50.

Expenses That Cannot be Funded

1. Utilities
2. Paper supplies and copying materials
3. Purchase of computers
4. Purchase of food
5. Honorariums for speakers
6. Replenishing supplies
7. Gas or travel expenses
8. Salaries

Funding Notification, Unused Monies and Reporting

1. Results of the review process will be announced in writing as soon as possible. Grants awarded may be distributed in two or more installments.
2. Unused grant money is to be returned to the Susquehanna Conference if not utilized in the year that it was awarded. The request may be re-submitted when the program is ready to begin and will be made a priority for review.
3. A report that highlights the implementation and success of the new program must be submitted to the Mission and Outreach Team within one year from the date that the grant monies are received. Groups are encouraged to submit innovative programs and photos to the *LINK* for possible publication.
