

MISSION CENTRAL PRAYER VIGIL

in August

Join us **each Thursday in August at noon** as we surround Mission Central with prayer. We will have a different prayer each week, with a “Prayer Walk” at Mission Central on Thursday, August 31, at noon.

Week 1 (August 3)

Pray for funding for the daily operation costs at Mission Central, including the need to build a reserve as we move toward our own 501(c)(3) designation.

Week 2 (August 10)

Pray for the facilities, specifically the need for a new warehouse air handling system and much needed parking lot replacement.

Week 3 (August 17)

Pray for the many missions of Mission Central - the people and places we currently serve and those whom we still need to reach; locally, nationally, and globally.

Week 4 (August 24)

Pray for Mission Central’s Board of Directors, staff, and volunteers, that we would all keep the vision of Mission Central at the forefront.

Week 5 (August 31)

Join us at Mission Central for a prayer vigil/walk in the warehouse at noon.

Please remember in all of this to be *thankful to God* for all that has been provided to Mission Central over the past 15 years, and more specifically, the **reduction of 50 percent** of the **building’s debt** in just the **past two years**.
