

The Neighborhood Center is in full swing with Summer Adventure. The summer months are exciting as the program youth enjoy interactive STEM (Science-Technology- Engineering- Math) activities, Swimming, Nutrition, Daily devotionals and Art Classes. Each group ends their week with Friday field trips. We would love to have your support, please see our summer wish list below:

Ways you can help:

Sponsor a field trip

- Lancaster Science Factory
- Twin Ponds Ice Skating
- Whitaker Center
- Turkey Hill Experience
- State Museum
- Skating
- Swimming at Little Buffalo
- Monkey Joes
- Swimming at Codorus State Park
- Bowling

Donate art supplies for our Paint in the Park summer Art classes

- Blank canvas, paint, brushes, glue, and construction paper

Donate sewing supplies for our summer Sewing Class

- thread, needles, sewing machines, yarn, fabric, scissors, glue gun ect

Donate supplies for Game Night

- Board games, basketballs, jump ropes, DVD's, arts and crafts

Sponsor a meal for Tuesday Game Night
