

## Conference Secretary of Global Ministries

Although I have been with you for awhile, it is sometimes helpful to remind folks, both laity and clergy, of the resources available to you within our Susquehanna Annual Conference.

My name is Lenore Hosier, and I am an ordained elder serving the Liberty Charge in the Williamsport District and have also served outside of the US as a mission volunteer with the General Board of Global Ministries (GBGM).

As your Conference Secretary of Global Ministries, I am your connecting point between our Annual Conference and the General Board of Global Ministries (the mission arm of our denomination). That means I am available to resource your local churches in the area of the Advance (funding for established global projects and missionaries), itineration of GBGM missionaries, persons interested in mission service and other mission information.

I work closely with Curt Knouse, Director of Volunteers in Mission (VIM), who can be contacted about questions pertaining to work teams and mission trips.

Please feel free to be in contact with me if you or your church needs mission information. While I serve in full-time ministry, I try to make myself available whenever possible to interact either personally or electronically. I have a few other lay people around the conference that might be able to help you in a more face-to-face manner, as well.

Mission is a vital piece of who we are as disciples of Jesus Christ and as an Annual Conference. Please feel free to be in touch so that I can empower you and your churches to serve faithfully.

Rev. Lenore Hosier, CSGM
