

Have Tools: Will Travel

When: **May 11-13, 2017**

Where: **Mount Asbury**

Have VIM, UMCOR, or other volunteer mission opportunities ever sparked your interest? Has God stirred a desire within you to use your gifts in service to others, but you are unable to travel, can't afford to go, or are unsure if you have the necessary skills to be a part of a mission team? Then Have Tools: Will Travel is for you! Located within the Susquehanna Conference, Have Tools: Will Travel gives you the opportunity to put your hands to work for God while you help to improve the physical site and support the mission work of Camp and Retreat Ministries at one of our conference-owned camp and retreat centers. Come and prepare your hearts and hands as we engage in service projects around the site. While much of your time will be spent working on various projects, there will be plenty of time to enjoy God's creation, fellowship with others, spend time in devotion, and learn about other mission opportunities that our church conference offers. This is a great opportunity for beginners and masters-of-trade alike!
