MENTAL HEALTH FIRST AID TRAININGS

Since 2009 the Conference in partnership with the Mental Wellness Awareness Association, Inc. has been providing United Methodist Church Members the opportunity to take the 8 hour live, evidence based, Mental Health First Aid USA training (includes substance use disorders) at no cost from offerings received designated for Mental Health Ministries.

Non-members through the church's outreach attend at a MWAA discounted cost of \$50.

We encourage continued support for this valuable ministry.

Accordingly, please advertise these up-coming trainings to your membership and the community at large.
