To Relax, To Unwind, *To Reconnect with God*

Deep Green Pilgrimage **September 14- 16 for Adults 18+** **at Wesley Forest**

Unplug, take a deep breath, and journey to the Forest for a weekend of intentional connection with God's presence in and through the natural world. Based on the natural rhythm of the season, we'll take time to step back from the day-to-day routine and embrace nature as a guide to a simpler and healthier life as we *Release – Receive – Renew – Respond*. Take a spiritual pilgrimage in the wild and allow for time and space to reflect upon your own life's journey while physically and mentally taking steps toward new discovery. We'll introduce you to Shinrin-Yoku (forest bathing) hikes. These short, under a mile, hikes open the door to relieve stress, improve health, and boost creativity within yourself.
