

Free Webinar: *Heeding the Call: Your Nonprofit's Rights to Advocate and Lobby*

Tuesday, March 5, 12 Noon to 1:30

This webinar is for those who want to know what is allowable for nonprofit organizations regarding advocacy for and participation in political and public policy issues.

It will be valuable for church members and clergy who wish to relate their faith concerns and social principles in the public arena but are uncertain as to how to do so.

United Methodist Advocacy in Pennsylvania and Lutheran Advocacy Ministries in Pennsylvania have teamed together to make this webinar available, free of charge, to members of their faith communities.

The webinar is led by Bolder Advocacy (learn more about Bolder Advocacy by visiting: www.bolderadvocacy.org).
