***Wesley Forest VIM Opportunity Details**

Please Contact Emily if you plan to serve.

- All days, unless noted, we ask for volunteers to bring their basic tool supplies - hammer, cat's paw/crowbar, electric drill (not totally necessary), pencil, tape measure, tool belt, etc.

- We will provide the following if needed: overnight accommodations (volunteers bring all overnight bedding/towels), breakfast, lunch. Dinner will be on your own, but people can have access to the kitchen for meal prep.

May 6-7 = Demo Days, 6-8 volunteers needed.

Skills: more intensive physical labor of tearing down and taking debris to dumpster

May 8-10 = Framing and Plumbing Cut, 6-8 volunteers needed with 1-2 being skilled framers.

Skills: skilled framers, measuring/cutting/transporting materials, hauling cut concrete out.

May 13-17 = Framing, Insulating, Drywalling, 6-8 volunteers needed with 1-2 being skilled framers

Skills: movers of material, skilled knowledge of cutting and hanging drywall

May 20-22 = Drywalling, Painters. 6-8 volunteers to continue drywalling, 4 volunteers for painting.

Skills: movers of material, skilled knowledge of cutting and hanging drywall, solid painters for ceiling and walls. Painters do not need to bring tool belt, but bringing brushes and rollers would help. We will supply them though. Painters can also bring small ladders or step stools.

May 28-30 = Painting and Finish Work. 4 painters, 3-5 volunteers skilled with finish work

Skills: painters (same notes as above for tools), very skilled finish workers: hang doors, hang blinds, put up trim, put plate covers over switches, etc.

June 3-4 = Finish Work in Bathrooms, Finalize Bedrooms. 6-8 volunteers needed

Skills: very skilled finish workers, put together pre-ordered beds in all rooms.

June 5-7 = Moving Furniture Back In, Cleaning, Possible Finish Work

Skills: physical moving of furniture, very intensive and thorough cleaning, finish skills needed.

Cleaners - would be really helpful if you bring some of your own favorite cleaning supplies, rags, and small shop vacs. The cleaning is super intense.
