

CAMP & RETREAT MINISTRY

NOVEMBER/DECEMBER 2020

WE REFLECT WITH DEEP GRATITUDE

As we reflect on this year, we cannot help but be filled with abundant joy and gratitude. **We give thanks for you, our beloved community, for standing with us and supporting us through this most challenging year of ministry.** We give thanks that your support continues to sustain us in so many ways! From letters, emails, and phone calls of encouragement, to sharing your personal stories of how camp has transformed your life, to offering your physical presence by volunteering at our centers, and by donating your money to the Camp Comeback Campaign. As we enter into this season of reflection, know that we hold you close in our prayers and we are full of appreciation for you.

SUMMER 2021

We are so excited to be planning the Summer 2021 camping season! Registration and information will be posted on our Social Media in early 2021. As you might expect, camp is likely to look a little different in 2021 to accommodate for extra health and safety procedures. That being said, **we cannot wait to welcome you back to our sacred summer camp places. Know that we are praying and preparing for you already!**
