

**We Need Your Help to Provide a Caring
Community and Deepening Connection with God for Your
Students Heading to College or University this Fall !!**

Our partner Collegiate Ministries no longer receive contact information for United Methodist Students from the colleges and universities themselves.

If any students from your congregation will be attending one of the schools below, please provide the following information ASAP:

(Note: We are glad to connect students with other campus ministries at other schools, too.)

- Name of Your Local Church
- Student's Name
- College or University they are or will be attending
- Student's Email Address
- Student's Address (Home or School)

Send student info to Mollye Inners (minners@susumc.org) at the Growing Spiritual Transformational Leader's Office and we will get the info to the Collegiate Ministry leaders.

Thank you!

Thank you!

Thank you!
