

Application for Seminarian Health Insurance Assistance

Our Policy: The Susquehanna Conference Board of Pension & Health Benefits will pay a stipend/grant of \$2,400 every six months not to exceed the actual premium for the single health care coverage policy of a seminarian meeting the following qualifications:

- ✓ Certified Candidate (by DCOM)
- ✓ Full-time Seminary Student
- ✓ University Senate Approved Seminary
- ✓ Not under Full-Time Appointment

Note: this is a taxable benefit paid directly to the student by the benefits office.

While the Board values lifelong learning, the Susquehanna Board of Pensions will not provide health insurance coverage for those members of the annual conference who have chosen to step away from full-time ministry in pursuit of any other post-ordination education.
