

SALARY GUIDELINES FOR THE PASTOR/STAFF-PARISH RELATIONS COMMITTEE

GUIDELINES AND PROCEDURES

General Policy:

PROCESS FOR APPROVING THE SALARY PACKAGE

The Staff/Pastor-Parish Relations Committee shall:

- Discuss pastoral support provisions with the pastor(s).
- Report its recommendations to the Administrative Board/Council.
- Submit budget items to the Committee on Finance.
- Submit recommendation to the Charge/Church Conference for final action.

Only the Charge/Church Conference has the authority to set pastoral salaries and other pastoral support provisions.

The initiative for recommending the annual salary, benefits and travel package rests with the Pastor/Staff Parish Relations Committee. Annually, prior to the adoption of the budget for the new fiscal year, the Committee is to confer with the pastor(s) about all pastoral support provisions, i.e., Salary, Housing, and Continuing Education.

Pastoral support provisions should reflect the many demands the church and the community make upon the pastor and current economic factors. Consideration should be given to the rising cost of preparing to enter and retire from parish ministry. The salary support package should, above all else, reflect appreciation for the quality of the pastoral ministry and leadership provided by the pastor(s). A church is wise which pays the pastor(s) a generous salary and which makes provision for annual salary increases.

The salary is set per calendar year and remains in effect even when there is a change of pastor. The Staff-Parish Relations Committee can discuss any need for change with the District Superintendent during the consultation process. The pastor's vacation year runs on the conference year of July 1-June 30.

B. Pastor Information:

1. Enter the name of the Pastor.
2. Check with pastor about Conference Relationship status (ex. Elder, Local Pastor, etc.)
3. Consult with the Pastor on years of service - service record in the Journal does not distinguish between full and part-time appointments.

6. Minimum Base Salary Required: *The minimum base salary is just that – a bare minimum to be paid to pastors. It is not the standard for setting salaries; it is the line below which salaries shall not go. Cost of living increases and increases for merit are strongly encouraged.*

F. Additional Pastoral Reimbursements:

1. More info about ARP can also be found at <http://www.gcfa.org/tax-packet>. Accountable Reimbursement Plans (A.R.P.) have very specific I.R.S. requirements. With an A.R.P., resolutions are adopted by the church council for a calendar year and all future years unless specifically revoked or superseded. The church pastor (or other employee(s) will be reimbursed for ordinary and necessary business expenses incurred in the performance of his or her responsibilities when he/she substantiates the amount, business purpose, date, and place of the expense. This substantiation must be provided to the chair of the pastor parish relations committee (or church treasurer) within sixty (60) days of incurring the expense. The individual must return to the church any amounts received in excess of the substantiated expenses within one hundred twenty (120) days of receipt. The church will not report any properly substantiated reimbursement payments as income on any Form W-2. The church may wish to designate certain items which it elects to have covered by this policy, such as travel, continuing education, attendance at annual conference, books, subscriptions, work supplies, vestments, etc. There may be a cap or dollar amount on the total reimbursable business expenses that will be paid, for example: "The reimbursement amount shall be no more than _____." The church may also want to require pre-approvals by the treasurer or SPR/PPR chair of business expenses in excess of \$ 500 (or any other amount deemed appropriate). These additional requirements should be included in the policy. The specifics of each policy should be reviewed by each church and minister considering their specific concerns. If legal or tax advice is required, the services of a competent professional advisor should be sought. ***Under no circumstances should the treasurer pay the ARP without receipts or documentation.***
2. **Travel:** *Travel provisions shall be made for all full-time pastors and student pastors, and shall be considered as part of the local church/charge budget under administrative expenses. The local church/charge, after consultation with the pastor, shall select one of the following options to insure adequate travel provisions for its pastor while involved in church business. See IRS Publication 463 for details on allowed expenses or consult a tax professional.*

Option 1: The local church/charge shall rent or purchase a vehicle for the pastor and shall be responsible for all ownership and operating costs of the vehicle. Ownership costs shall include gasoline, oil, tires, maintenance and repair of the vehicle. It shall be understood that the vehicle is to be available to the pastor at all times, with the cost of personal use being reimbursed at current Internal Revenue Service rates.

Option 2: The local church/charge shall pay its pastor an annual amount of at least \$1,700 for ownership costs and reimburse the pastor for operating costs at a minimum of 14 cents per mile, which is the current IRS RATE, both payable at least monthly upon submission of travel vouchers. The \$1,700 will be considered as salary for tax purposes.

Option 3: The local church/charge shall reimburse its pastor for *documented* business mileage at the IRS rate, as defined by current IRS regulations. This can be included in an Accountable Reimbursement Plan (ARP).

Travel expenses for pastors in less than full-time appointments shall be negotiated between the District Superintendent and the Pastor/Staff Relations Committee.

3. Continuing Education:

The United Methodist Church has made continuing education mandatory for every pastor. Therefore, continuing education shall be provided for all full-time and part-time pastors under appointment. It shall be cumulative and used only during the current assignment. It shall be payable upon submission of vouchers. It shall be payable at the minimum rate of full-time \$750 per year and part-time \$500 per year. Other educational assistance may be available through the Board of Ordained Ministry.

One of the greatest needs of the pastor is to continue education throughout the years of ministry. Developing skills, learning new techniques, keeping abreast of what's happening in the church – are all necessary to equip pastors for effective ministry. The time spent in continuing Education is not to be considered vacation time. See ¶350.2, Book of Discipline 2016

G. Charge Conference Action Relative to Pastor's Tax Reports

- Each pastor shall report the fair rental value of the parsonage as income for Social Security purposes. The fair rental value shall be negotiated by the pastor and the Pastor/Staff Relations Committee and approved by the Charge Conference. Per IRS rules, it must reflect a rental value comparable to other similar homes in the area.

2. Each charge is encouraged to designate, each year, at the Charge Conference, a portion of the pastor's cash salary as parsonage exclusion for use as the pastor sees fit for purchase of furnishings for the charge-owned parsonage.

H. Other Considerations

1. Vacation AND TIME AWAY FROM THE PARISH:

- Vacation time shall be granted based on the conference year (July 1 to June 30) and negotiated with the Pastor/Staff Relations Committee.
 - Full-time service: minimum of four weeks' vacation, which shall include four Sundays.
 - Less than full-time pastors: minimum of two weeks, which shall include two Sundays.
 - Pulpit supply during vacation periods shall be arranged by the Committee on Staff Parish Relations and paid for by the local church.
- All Pastor/Staff Relations Committees shall encourage their pastors to take a minimum of one day off per week.
- Some involvement of pastors in ministries beyond the local church is expected as an aspect of our connectional ministry: e.g., evangelistic missions, camping programs, work camps, etc. Such time is not to be considered as vacation. However, the extent of such involvement is to be negotiated by pastors and Pastor/Staff Relations Committee. Additional negotiated items shall be attached to the worksheet.
- Staff/Parish Relations Committees are encouraged to pay special attention to the recommendations of the Board of Ordained Ministry on Study Leave, Sabbatical Leaves and Short-Term Educational Opportunities. *See ¶350, Book of Discipline 2016.*
