

Acts of Worship - Leading Beyond Sunday

St. Peter's UMC

426 Sunbury Rd, Riverside, PA 17868

**Tuesday Nights: beginning September 28
September 28, October 12, 19, 26 and November 1**

6:30 pm - 8:30 pm

Led by Rev. Dr. Gary Weaver

If you are only leading worship on Sundays, you are missing at least 26 other days of the month where God can be glorified. Worship, in general terms, is declaring the greatness of someone or something. It is the act of giving up your own glory to make sure everyone knows that the thing being worshiped is pretty awesome. To put it even more succinctly, worship is bowing down to lift up. As a class we will look at funerals, blessings, public prayers, healing services and other areas of worship that the class may want to examine.

The United Methodist Book of Worship is required, you may order the book at www.cokesbury.com/The-United-Methodist-Book-of-Worship-2 or possibly borrow from your pastor.

It specifically addresses best practices for leading in liminal spaces – caught between what used to work and what we don't know will work yet. The focus for the first four sessions is on the development of personal leadership practices. The second four sessions look more closely at personal leadership within community.

As a Lay Speaker/Servant/Leader, you may find yourself leading prayer in worship services as well as in other settings. Since people learn to pray by listening to others, the prayers they hear in church and Sunday school have a large influence on their own prayer lives! It is vital, then, that you are knowledgeable and lead well. Never fear – prayer is something we learn, and it can be taught!
