#### **Instructions**

**A. Charge Information:** Name and information for Staff/Pastor-Parish Relations Committee Chair.

3. Indicate approximate number of hours CLM/CLM candidate/Lay Speaker is serving; name of the supervising Elder

2. The charge is responsible to withhold and pay all applicable Social Security, federal, state and local taxes

**D. Additional Reimbursements:**

**1. ARP**

More info about ARP can also be found at <http://www.gcfa.org/tax-packet> Accountable Reimbursement Plans (ARP) have very specific IRS requirements. With an ARP, resolutions are adopted by the church council for a **calendar** year and all future years unless specifically revoked or superseded. The CLM/CLM candidate will be reimbursed for ordinary and necessary business expenses incurred in the performance of his or her responsibilities when he/she substantiates the amount, business purpose, date, and place of the expense. This substantiation

must be provided to the chair of the Staff/Pastor-Parish Relations Committee (or church treasurer) within sixty (60) days of incurring the expense. The individual must return to the church any amounts received in excess of the substantiated expenses within one hundred twenty (120) days of receipt. The church will not report any properly substantiated reimbursement payments as income on any Form W-2. The church may wish to designate certain items which it elects to have covered by this policy, such as travel, continuing education, attendance at annual conference, books, subscriptions, work supplies, etc. There may be a cap or dollar amount on the total reimbursable business expenses that will be paid, for example: "The reimbursement amount shall be no more than \_\_\_\_\_." The church may also want to require pre-approvals by the treasurer or S/PPRC chair of business expenses in excess of \$500 (or any other amount deemed appropriate). These additional requirements should be included in the policy. The specifics of each policy should be reviewed by each church and CLM considering their specific concerns. If legal or tax advice is required, the services of a competent professional advisor should be sought. ***Under no circumstances should the treasurer pay the ARP without receipts or documentation.***

- 2. Travel:** See IRS Publication 463 for details on allowed expenses or consult a tax professional.

The local church/charge shall negotiate payment for travel expenses for the CLM or CLM candidate. If using the IRS rate, as defined by current IRS regulations, all reimbursements must be accompanied by documents indicating actual mileage, leaving point and destination, purpose/description. Travel may be included in an Accountable Reimbursement Plan (ARP).

*Travel expenses for CLM/CLM candidates assigned to a charge shall be negotiated with the Staff/Pastor-Parish Relations Committee and approved by the District Superintendent.*

- 3. Continuing Education:**

*The CLM/CLM candidate is required to continue taking courses to assist them in their ministry. It is encouraged that a charge provides a minimum of \$125 per year. The charge may determine if excess amounts may be carried over from one year to the next.*

- 4. Vacation and time away from the parish:**

Vacation time shall be granted based on the **conference year (July 1 to June 30)** and negotiated with the Staff/Pastor-Parish Relations Committee.
