

BOUNDARIES TRAINING

All clergy, CLM's and lay persons serving as preacher/leader of a congregation must renew their Boundaries training **every four years**.

There is an upcoming in-person training on **March 10, 2023**, at Wesley Forest, Weikert, Pa. (1 pm – 7 pm) with a \$15 minimum payment. The training is held in conjunction with CLM School. Register for this training by completing [this form](#). If you have any questions about this training contact Kim Shockley – kshockley@susumc.org

The in-person training fulfills the required Boundaries for those serving for the first time in the Susquehanna Conference.

If you have previously taken Boundaries and need to fulfill this requirement, you may satisfy the requirement by taking either "*Understanding Clergy Sexual Ethics*" or "*Maintaining Boundaries in a Digital Age*" from the [Lewis Center for Online Learning](#). These courses were temporarily closed but now seem to be open. The **cost is \$49** and is your responsibility. You will register as an individual (*we do not have a group code*).

Also, please make sure your clearances are up to date. FBI fingerprints, Child Abuse Clearance and Pennsylvania State Police criminal background check are required by **state law every 5 years**. Failure to be in compliance could result in suspension from appointment/assignment.

Contact Rev. Marian Hartman, clergy assistant to BOOM, mhartman@susumc.org with any questions.
