Living as Spiritual Transformational Leaders Spiritual Transformational Leaders engage others in abundant Christian love that transforms lives wherever they go.

The “GROW” curriculum is designed to meet the criteria for use by Lay Servant Ministries as well as within the life of leadership in a local church. It specifically addresses best practices for leading in liminal spaces – caught between what used to work and what we don’t know will work yet. The focus for the second four sessions looks more closely at personal leadership within the community.

5. Change Makers (for God)
6. Mentors that Multiply
7. Reach: Love in Witness and Action
8. Community and Collaboration in the Commons
